

CREEAAAK

They're all here... prisoners of my device.

And the tragedy is as evil as it's rock hard.

Me? I am... what would you say...

...the "puppeteer"?
Or maybe... the mastermind?

Most ordinary people can't take it.

They just die.

But THEY...

CRACK

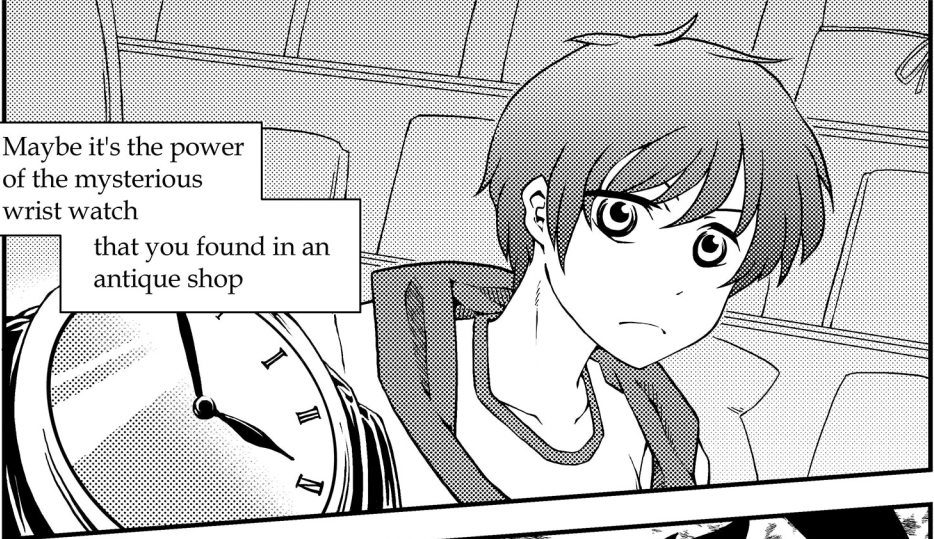

or should I say... YOU...

HAVE THE POWER TO REVERSE TIME

TRAGEDY LOOPER

Written By Bakafire

Comic by Sato

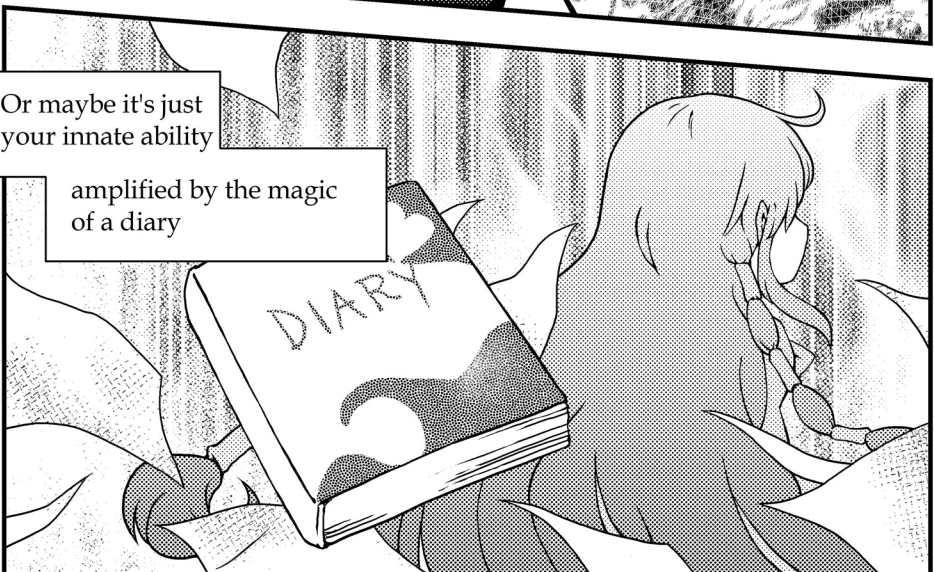

Maybe it's the power
of the mysterious
wrist watch

that you found in an
antique shop

Or maybe it's the weird
smart phone app

that your mad scientist
grandpa whipped up

Or maybe it's just
your innate ability

amplified by the magic
of a diary

Be what it may,
you wield
this power. —

And you are
repeating this
circle of time

silently gathering
the tiny shards
of information

in a vain attempt to
defeat the script of
fate —

Damn!

I failed AGAIN!
I couldn't save her!
